Sponsor & Fundraising Committee

The Sponsor & Fundraising Committee is responsible for generating financial resources to support EHA's activities through an attractive sponsor program and diversify the sources of income by launching new sponsor programs. The main objectives are to establish a constructive and creative collaboration between EHA and its existing and new industry partners, as well as to actively look for alternative sources of income through a fundraising program, foundations or public funding and other resources. We are looking for a Sponsor & Fundraising Committee member who meets the following criteria:

- Well-spoken and 'close' connections with the industry;
- Must have a business acumen;
- Workload: approx. 3 hours a month

Appointment: *Members are selected to ensure a balanced representation of the main areas (e.g. malignant vs non-malignant, basic/translational vs clinical etc.) of hematology. Members will receive training to increase their level of knowledge. Appointed for 3 years.*
