ABOUT THE EHA2026 CONGRESS PLATFORM/APP

The EHA2026 Congress platform/App is not just a collection of sessions of the EHA2026 program, delivered to you in the traditional format of a daily program with sessions scheduled at a certain timeslot. It is also a platform which allows you to watch on-demand sessions of your interest as of June 17 when it is convenient to you, gives you the opportunity to chat with other Congress participants, and receive program recommendations based on your field of interest. The Congress platform/App will be open until October 15, 2026, giving you plenty of time to explore scientific content.

CODE OF CONDUCT

All participants, speakers, sponsors, and contributors for EHA2026 Congress are required to agree to the User [Terms and Conditions](#) as well as the EHA2026 Code of Conduct below. Organizers will enforce this code throughout Congress. We are expecting cooperation from all participants to establish a safe environment for all.

REPORT AN INCIDENT?

For any concerns, please contact us at a.congress@ehaweb.org or visit us directly onsite during EHA2026 Congress at the EHA Booth (main entrance).

THE SHORT VERSION

We are dedicated to providing a harassment-free conference experience for everyone regardless of gender, sexual orientation, disability, physical appearance, body size, race, or religion. We do not tolerate harassment of Congress and/or Meetings participants in any form. Sexual language and imagery are not appropriate for any conference venue, including talks, workshops, sessions, profiles, social media, and any other media. Congress participants violating these rules will be sanctioned, and their access to the Congress venue and Congress platform will be terminated, as agreed upon in the **User Terms and Conditions**, without a refund at the discretion of the EHA.

THE LONGER VERSION

Harassment includes offensive verbal comments related to gender, sexual orientation, disability, physical appearance, body size, race, religion, sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate wording, and unwelcome sexual attention. Participants asked to stop any harassing behavior are expected to comply immediately. Sponsors are also subject to the anti-harassment policy. Sponsors should not use sexualized images, activities, or other material.

If a participant engages in harassing behavior, or violates these rules, the participant will be sanctioned and their access to the Congress venue and platform will be terminated, as agreed upon in the **User Terms and Conditions**, without a refund at the discretion of the EHA. If you are being harassed, notice that someone else is being harassed, or have any other concerns, please **contact the Congress organizers immediately at a.congress@ehaweb.org**.

CONGRESS PROGRAM

To support your user experience, EHA offers a high-quality program with a selection of live sessions which you can find in our live program. In the menu bar, just click on **LIVE** and view the live sessions. If you choose **PROGRAM**, you will be able to search content through pre-selected topics, days or themes.

The EHA2026 Congress starts on Thursday, June 11 with the live broadcast of the sponsored sessions offered by our Partners and Sponsors, followed by the Opening Ceremony & Awards and a variety of educational sessions (Educations session, Science-in-Focus, workshop) all day long.

Check the [Program by Day](#).

CONGRESS APP

The EHA2026 Congress App will be available for download on the Apple App Store and Google Play starting June 4, 2026. From that date onward, you can download it at any time. Below is the logo you can look for:

We highly recommend improving your user experience by installing it on your phone. **It only takes one minute to improve your experience at EHA2026.**

Via the App you can:

- click on the QR code to print your badge on-site upon arrival, from the Home page
- keep the program of the Congress at hand and create your own agenda,
- read all the abstracts,
- check the floorplan and locate yourself around the venue; use the navigation to go from where you are to where you want to go next
- exchange knowledge with other experts by asking questions during sessions and using the chat tool
- have quick access to all other options such as the FAQ, downloading your certificate of participation and more.

HOW TO ACCESS THE EHA2026 PLATFORM

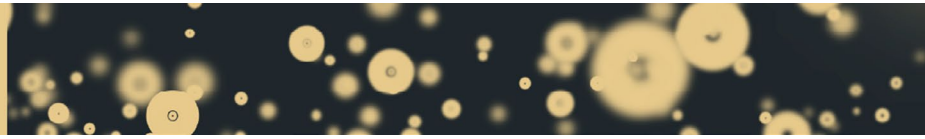

For the EHA2026 Congress, the URL will be based on the EHA website, therefore, **all URLs behind "ehaweb.org/" should be listed as accessible.** If you are connecting through your institute/hospital network, please inform them accordingly.

Make sure that the URL ehaweb.org/ is white-listed.

The EHA2026 Congress platform will open as of June 4!

- As of June 4, you can create your account in the Congress platform, complete your profile, set your preferences and browse certain content of the EHA2026 Congress. **You will receive an email from eharegistration@interplan.de containing a personal access link to the platform.** This personal access email will be sent to you only when your registration is complete and to the same primary email address you registered with.
When clicking on the personal access link, you will be re-directed to the platform to set up your account.
Subject line: Your EHA2026 personalized Congress platform onboarding link
Note that if you participated in last year's EHA Congresses (EHA2022-EHA2025), you may re-use the same account details if the same email address is used for the account as well as for your registration; the system recognizes if an email address has an account.
- **Until June 10**, you will be able to browse the program, save the sessions of your interest in My program and browse certain pages of the EHA2026 Congress program. The Live and Partners & Sponsors pages will be accessible after this date, as the official start of the EHA2026 Congress.
The EHA2026 Congress officially starts on Thursday, June 11, 2026.
- **As of June 11**, the EHA2026 Congress officially starts, and all pages will be available (according to your status and registration category). You may browse live sessions and check out content from our Partners & Sponsors.
- **As of June 17**, the EHA2026 Congress platform will showcase on-demand content. It will remain open until October 15, 2026.

Your certificate of participation will be sent to you by email (the email you registered with). You can also download your Certificate of participation from the Congress platform as of June 14.

HOW TO REGISTER, CREATE YOUR ACCOUNT & LOGIN

The Congress platform/App is accessible to only registered participants. As a first step to access the EHA2026 Congress Platform, you are requested to **create your account (as of June 4)**.

1. REGISTER

- **Only registered participants can access the platform**
 - Only registered participants can access the platform. If you have not registered yet, please click [here](#).
 - When you have successfully registered, you will receive a confirmation email from the EHA Registration department.
 - For any questions regarding your registration, please contact eharegistration@interplan.de.

2. PLATFORM ONBOARDING & ACCOUNT (This step is mandatory)

- **As of June 4, all registered participants will receive an email from eharegistration@interplan.de containing a personal access link to the Congress platform.**

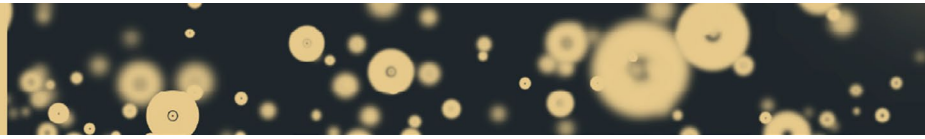

Subject line: **Your EHA2026 personalized Congress platform onboarding link**

 - This personal access email will be sent to you only when your registration is complete and to the same email address you registered with.
- **Read the instructions inside the email carefully.**
- **When clicking on your personal access link, you will be re-directed to the platform/App to set up your account.**
 - The email address you used to register will be automatically prefilled and will be used as your username to access the platform.
 - During this step, you will be asked to confirm your email address as a security protocol. You will receive an email asking you to confirm your email address. Please make sure to check your spam folder.
 - You can set up a password of your choice, you will need this password to return to your account afterwards.
 - *Note that if you participated in last year's EHA Congresses (EHA2022-EHA2025), you may re-use the same account details if the same email address is used for the account as well as for your registration; the system recognizes if an email address has an account.*

> We recommend creating your account as soon as you receive your personal platform access link by email.

> This account is separate from your MyEHA account (registration / EHA membership account).

> You cannot log in to the EHA2026 Congress platform/App if you have not created an account via your personal access link.

3. LOG IN TO THE EHA2026 CONGRESS PLATFORM

- After creating your account, you will be asked to complete your profile. Then, you can access the EHA2026 Congress platform and browse the available content.

Good news: You only need to complete this onboarding process the very first time you access the EHA2026 Congress platform or App. After that, returning is easy! Whether you're on your laptop (browser) or phone (App), simply log in with your credentials and you're right back in. No need to use the email link again, making your access quick and effortless.

At any time, you can update your preferences on the platform, by accessing your MyEHA2026 profile.

- > We advise you to have a good internet connection, a proper device or computer, Google Chrome browser, and a valid registration.
- > We recommend using Google Chrome with the newest update; however, the platform is also accessible via all common operating system browsers such as Firefox or Edge. Be aware that ad blockers can prevent loading content and opening new tabs. Please ensure that the latest versions of operating systems and browsers are installed.
- > For the EHA2026 Congress, the URL will be based on EHA website, therefore, all URLs behind "**ehaweb.org/**" should be listed as accessible. If you are connecting through your institute/hospital network, please inform them accordingly. Make sure that the URL ehaweb.org/ is **white-listed**.
