

Curriculum-Exam Committee member

The aim of the Curriculum-Exam Committee is to promote harmonization in hematology training and education in Europe and beyond by offering tools and programs that support this, such as the European Hematology Curriculum and the European Hematology Exam. The Curriculum-Exam Committee serves as an advisory committee to the EHA Education Committee and works closely with the EHA Office and other EHA Committees.

We are looking for two Curriculum-Exam Committee members who meet the following criteria:

- High-profile clinician, established group leader in hematology, or early career haematologist with clinical profile and experience in EHA education activities
- Passionate about providing evidence-based education to European hematologists;
- Experience in adult education, ideally evidenced by academic appointment or further study in medical education. Training in developing entrustable professional activities (EPAs) preferred.
- Available to attend at least 75% of committee TCs and face-to-face meetings (1 full-day meeting in The Hague and a one-hour meeting at the EHA Annual Congress)
- Workload: approx. 3 hours a month

Appointment: for 3 years.
