

EHA Guidelines Committee Profiles:

The aim of the EHA Guidelines Committee (GC) is to promote and support the creation and adoption of guidelines for diagnosis and treatment of hematologic diseases, in close collaboration with the EHA Specialized Working Groups (SWGs) and with other medical societies or associations.

Guidelines Committee member 1

We are looking for a Guidelines Committee member who meets the following criteria:

- High-profile clinician, established group leader in hematology
- Expert in non-malignant/general hematology
- Passionate about providing guidance to hematologists
- Experience in producing clinical practice guidelines
- Available to attend at least 75% of committee TCs and face-to-face meetings (1 full-day meeting in The Hague and one-hour meeting at the EHA Annual Congress)
- Workload: approx. 3 hours a month

Appointment: for 3 years.

Guidelines Committee member 2

We are looking for a Guidelines Committee member who meets the following criteria:

- High-profile clinician, established group leader in hematology
- Expert in transfusion medicine
- Passionate about providing guidance to hematologists
- Experience in producing clinical practice guidelines
- Available to attend at least 75% of committee TCs and face-to-face meetings (1 full-day meeting in The Hague and one-hour meeting at the EHA Annual Congress)
- Workload: approx. 3 hours a month

Appointment: for 3 years.
