a cure for
all blood
disorders

European Affairs at EHA2023

Sessions (Frankfurt)

- EHA-Patient Joint Symposium – Sessions I + II
Combined with Guidelines session: PRO in clinical trials
- EHA-HARMONY: Big Data in Hematology

Sessions (virtual)

- EHA-EMA Joint Symposium
- IVDR Session
- European Projects in Hematology Session

Spotlight Talks (Frankfurt/on-demand)

- Health data (Ananda Plate)
- Reducing Bureaucracy in Clinical Trials (Martin Dreyling)

Collaboration Plaza (Frankfurt)

- Patient Advocacy Hub
- European projects & networks

Meetings (Frankfurt)

- EuroBloodNet network meeting*
- Community Leadership Dinner** – HTA & Value session
- AGM – panel on hematologists in regulatory affairs

* ERN members only

** Invitees only

EHA-Patient Joint Symposium

Session I: Novel clinical trials in hematology – the comparator challenge and the need for new formats

Friday June 9, 08:00-09:30

Room: Illusion (Messe Frankfurt)

“How do we design clinical trials that meet patient, clinical and regulatory needs given that innovation in clinical development is making RCTs in hematology increasingly difficult?”

Panel:

- **Jan Geissler** – patient / co-chair
- **Martin Kaiser** – hematologist / co-chair
- **Francesco Pignatti**, EMA – regulator
- **Michelle Boyer**, Roche/EFPIA – industry
- **Camille Thomassin**, HAS – HTA

EHA-Patient Joint Symposium

Session II: From approval to access – integrating patient preferences into clinical, HTA and payer decisions

Friday June 9, 10:00-11:15

Room: Illusion (Messe Frankfurt)

“How do we integrate patient-reported outcomes and patient preferences into treatment optimization and access decision making?”

Panel:

- **Zack Pemberton-Whiteley** – patient perspective: malignancies / co-chair
- **Marie-José Kersten** – hematologist / co-chair
- **Camille Thomassin**, HAS – HTA
- **Conny Berlin**, Novartis + IMI-PREFER – industry
- **Eda Omür** – patient perspective: Sickle Cell Disease

Integral programming: EHA-Patient & Guidelines sessions

Guidelines Session: PROs in clinical trials in multiple myeloma

Friday June 9, 09:30-10:00
Room: Illusion (Messe Frankfurt)

Panel:

- **Sam Salek**, co-chair
- **Kate Morgan**, co-chair
- **Edward Laane**
- **Esther Oliva**

EHA-HARMONY Alliance Session

Big Data in Hematology: The impact of Real-World Data and Real-World Evidence on research and clinical care now and in the future

Sunday June 11, 09:45-10:45

Room: Hall 3.2 (Messe Frankfurt)

- Introductions – **Ignacio Quiles**, EHA; **Jesús Maria Hernández Rivas**, IBSAL; **Guillermo Sanz**, La Fe Health Institute
- The power of big data to improve treatment of HMs – **Amin Turki**, UK Essen (ALL); **Marta Sobas**, Medical University of Wroclaw (AML); **Andreas Hochhaus**, FSU Jena (CML)
- Data analysis in regulatory assessments – **Kelly Plueschke**, EMA
- RWD/RWE driven research in hematology - **Kimmo Porkka**, University of Helsinki; **Natacha Bolaños**, Lymphoma Coalition; **Farzad Ali**, Pfizer

| European Projects in Hematology Session

European Projects with participation/support EHA

Wednesday June 14, 15:45-16:45
Virtual Room 2

Presenters:

- **ASCERTAIN** – Carin Uyl-de Groot
- **SUPPLY** – Petar Kos
- **GoCART** – Jürgen Kuball
- **T2EVOLVE** – Michael Hudecek
- **TOLERATE** – Karen Vanhoorelbeke

EHA-EMA Joint Symposium

Regulators, clinicians and data

Thursday June 15, 11:00-12:30
Virtual Room 1

- Meet the regulator – **Pierre Demolis** (presentation on how EMA works)
- Multi-stakeholder panel on data generation for regulatory purposes
 - Regulators: **Pierre Demolis, Edward Laane** (co-chairs)
 - Hematologists with regulatory experience: **Ole Weis Bjerrum, Julio Delgado**
 - Patient advocate with regulatory experience: **Loris Brunetta**
 - HTA: **Anja Schiel**
 - Industry: **Ian Thomson**

IVDR Session

What can we do to protect innovative diagnostics in the face of IVDR?

Thursday June 15, 13:15-14:15
Virtual Room 2

Panel:

- Brief introduction by **Bart Lubbers** (NL)
- Regulatory Scientist: **Alan Fraser** (UK)
- The approach taken for Orphan diagnostics and rare diseases: **Els Dequeker** (BE)
- Hematology Researcher: **Francesco Buccisano** (IT)
- National authority: **Ortwin Schulte** (DE)

| Spotlight Talks

Stand-alone lectures offering a preview of the ‘hematology of tomorrow’

15-18 minutes each

Recorded in front of a small live audience in Frankfurt

Available as on-demand content on the congress platform

Two European Affairs talks:

- **Health Data**
 - Ananda Plate (EHA PAC)
- **Reducing Bureaucracy in Clinical Trials**
 - Martin Dreyling (EHA / Coalition for RBinCTs)

EHA Collaboration Plaza

The 'home' for EHA's not-for-profit partners at the heart of the Exhibition
(patients, projects, scientific networks)

- Patient Advocacy Hub (14 PAC organizations)
- MSCA Carreras Leaders & InnoCAR-T
- HNHCP
- SUPPLY
- HARMONY
- ERN-EuroBloodNet
- T2EVOLVE & GoCART
- EuNet-INNOCHRON
- EGALiTE
- ESLHO

EuroBloodNet network meeting

Network meeting for ERN-EuroBloodNet members (105 centers) hosted by EHA

Thursday June 8, 14:00-17:00

Hall: Fantasie

Invitation-only

‘The Role of ERN-EuroBloodNet and ENROL Registry in Advancing Translational and Clinical Research in Hematology’

Session 1: Improving access to diagnosis and treatments (chair: **Pierre Fenaux**)

Session 2: ENROL Registry and endorsed initiatives (chair: **Béatrice Gulbis**)

Session 3: Artificial Intelligence (AI) based models in hematology: Genomed4all and Synthema (chair: **Mar Mañu Pereira**)

Panelists include **Matteo Della Porta**, EuroBloodNet lead research & registries (oncological), and **Federico Alvarez**, coordinator Genomed/Synthema

EHA Community Leadership Dinner

Panel session 'HTA and value assessment of new drugs'

Thursday June 8, 19:00-22:00
Frankfurt Marriott Hotel
EHA Board + invitees

Panel (19:40-20:40):

- **Bernhard Wörmann**, German Society of Hemato-Oncology (DGHO)
- **Robin Doeswijk**, EHA
- **Antje Behring**, G-BA
- **Anne-Pierre Pickaert**, ALAN / MPE
- **Daniel Coriu**, Romanian Society of Hematology
- **John Gribben**, EHA European Affairs Committee

| Annual General Meeting (AGM)

Incl. panel/Q&A: 'Why a dose of regulatory affairs is good for you (and all of us)'

Friday June 9, 13:30-14:30
Hall: Panorama 1

What is EHA's role in regulatory affairs and why should hematologists get involved?

Panel (13:05-13:30):

- **Ulrich Jäger**, EHA Past President and chair European Affairs Committee (2010-2019)
- **Elizabeth Macintyre**, EHA President / co-chair European Affairs Committee
- **Robin Doeswijk**, Head of European Affairs
