

Building a support system for hematologists with challenging cases

13 February 2025

What has been done

- Review of the system that is used in Czechia with the Working Group
- Review of the different available tools within EHA
- First set up of the tool

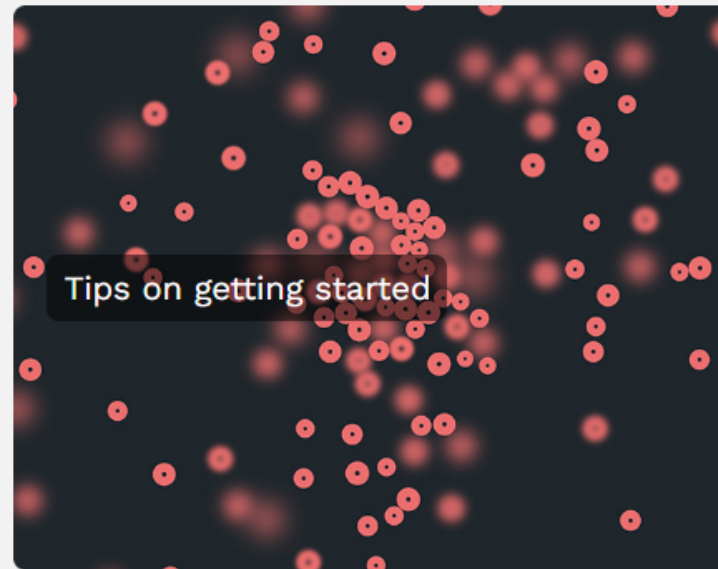

Welcome to MyEHA

You can use MyEHA to connect, communicate, and collaborate with other hematologists around the world.

Get started now by:

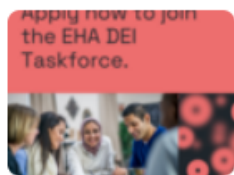

- Sharing a post ('Thought') about something you're interested in
- Joining a group
- Voting in our poll

To find out more about the platform, read our [short list of tips](#).

Next steps for a support system for hematologists with challenging cases.

- Meet-up with the working group (March 2025)
- Platform training organized by EHA Executive Office (March/April 2025)
- Testing within the working group (May 2025)
- Inviting topic specialist to serve as the response panel (April 2025)
- Launch a public Group on the Platform (June 2025)
