- To captivate future haematologist
- Medical students
- Open day:
 - 11 hospitals
 - 5 universities
 - 19 February
 - 89 students
- AIMS meeting

Collaborative Project with Cabo Verde

- 1st step:
 - Contact with our colleagues and find out their necessities:
 1. Education
 - Support participation to our national meeting, international meeting of interests
 - Supported participation to our national meeting for 3 Haematologists
 - Promote preceptorships in our national institutions
 - Promote local education
 2. Discussion of cases
 - Interest group to discuss difficult cases (Portuguese Mieloma Group)
 3. Diagnosis
 - Understand how we can facilitate diagnostic procedures
