

# Call for interest and nominations

## Eligibility criteria

### Call for interest

#### You do not need to be an EHA Member

However, once you get selected, an active EHA membership is required.

#### You should be ready to commit your time

Contributing effectively does require time commitment. You can find the profiles on our website to get an idea of what to expect for each committee.

### Call for nominations

#### You must be an EHA member\* who has paid your annual fees for this year (2022).

Only with an active membership will you have the opportunity to influence the composition of the EHA Board.

#### You should be ready to commit your time

Beyond attending monthly board meetings (virtual) and quarterly meetings in person, there are several high-profile activities and projects that you will be a part of.
