

Profile 1: Guidelines Committee member

The aim of the EHA Guidelines Committee (GC) is to promote and support the creation and adoption of guidelines for diagnosis and treatment of hematologic diseases, in close collaboration with the EHA Scientific Working Groups and occasionally with other medical societies or associations.

We are looking for a Guidelines Committee member who meets the following criteria:

- High-profile clinician, established group leader in hematology;
- Expert in platelet disorders;
- Passionate about providing guidance to hematologists;
- Experience in producing clinical practice guidelines;
- Available to attend at least 75% of committee TCs and face-to-face meetings (1 full-day meeting in The Hague and one-hour meetings at the EHA Annual Congress)

Appointment: for 3 years.

Profile 2: Guidelines Committee member

The aim of the EHA Guidelines Committee (GC) is to promote and support the creation and adoption of guidelines for diagnosis and treatment of hematologic diseases, in close collaboration with the EHA Scientific Working Groups and occasionally with other medical societies or associations.

We are looking for a Guidelines Committee member who meets the following criteria:

- High-profile clinician, established group leader in hematology;
- Expert in allogeneic transplantation and other cellular therapies (e.g. CAR-T);
- Passionate about providing guidance to hematologists;
- Experience in producing clinical practice guidelines;
- Available to attend at least 75% of committee TCs and face-to-face meetings (1 full-day meeting in The Hague and one-hour meetings at the EHA Annual Congress)

Appointment: for 3 years.
