Learning objectives

Setting Learning Objectives, to demonstrate the expected results of your presentation, is part of the format of EHA educational and scientific events. Therefore please include 1- 3 learning objectives at the beginning of your summary.

To set a learning objective, start the sentence with a verb.

Examples of verbs: explain, classify, identify, list, describe, name, indicate, etc.

EXAMPLE:

After viewing this presentation, the participant will be able to:

- Recognize risk factors for pregnancy outcomes in patients with ALL
- Adopt a management strategy for patients desiring pregnancy
- Understand the molecular genetics of T-ALL

Please email the summary of your lecture to your contact person at the EHA Executive Office.
