7. The Scientific Program Committee encourages the submission of original scientific material unpublished at the time of the abstract submission deadline:
 - a. Abstracts submitted to regional or national hematology meetings can be submitted to the Scientific Meeting for inclusion in the program;
 - b. Abstracts submitted to large international meetings which are organized in the same period as the EHA Scientific Meeting (October - December) are allowed to be submitted to the meeting.
 - c. Abstracts submitted to other large international meetings may also be submitted providing a clear indication about significant novel or updated information included in the appropriate abstract submission field.
8. Please do not submit the same study in multiple abstracts. Abstracts that appear as more than one version of a single study will be rejected.
