

# EHA-SfPM Precision Medicine Meeting

*Uniting genomic and functional precision medicine, empowering hematological and solid-tumor researchers to enhance precision medicine for cancer patients.*

## KEY INFORMATION

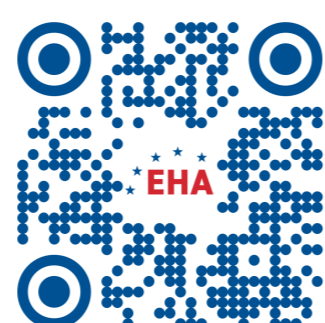

SEPTEMBER  
**25-27**  
2024

Copenhagen,  
Denmark

Scan for detailed  
information →

## KEYNOTE SPEAKERS

**Brian Huntly**

University of Cambridge, United Kingdom

**Olli Kallioniemi**

Karolinska Institutet, Sweden

**Elli Papaemmanouil**

Memorial Sloan Kettering Cancer Center,  
United States

## What you can enjoy at the meeting:

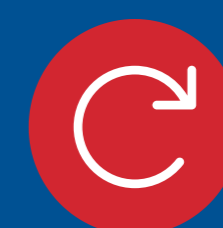

### SHARING ACROSS COMMUNITIES

Exchange experiences between the genomic and functional precision medicine communities.

### LEARN ACROSS FIELDS

Address challenges in functional precision medicine through expertise in the genomic precision medicine community.

### UPDATES ON RECENT ADVANCEMENTS

Stay up-to-date on recent advancements demonstrated within functional precision medicine.
